About oljan.fo

www.oljan.fo is a co-operation between FOÍB, Faroes Oil Industry Group and FT-online. The new homepage is administrated by FOÍB. Editor is Jan Müller. Stories, articles and input to oljan.fo shall be sent to jan@foib.fo oljan.fo the Faroese oil and gas portal provides information on the oil developments in the Faroes about drilling and scopes and new challenges that the development offer the industry and the society as a whole. Oljan.fo is also focusing on the offshore industry and Faroese working in this industry. It also is following the oil development around the world, especially in the neighboring countries. FOÍB, Faroes Oil Industry Group, is a joint association for the Oil Companies that have been granted license to explore for oil on the Faroese continental shelf. FOÍB will in the future have more focus on communication and public relations. The members of FOÍB are - Statoil, ENI, DONG, OMV, Valiant Petroleum, Faroe Petroleum and Atlantic Petroleum. The chairman of FOÍB is Nils Sørensen, Managing Director of Faroe Petroleum ns@fp.fo. Jan Müller is the Managing Director of FOÍB jan@foib.fo. Link to [http - //www.foib.fo](http://www.foib.fo)
